

## **JOB OPENING: CAMPAIGN MANAGER**

We are looking for a **No Burn Pilipinas Campaign Manager** who will act as the focal point in coordinating the network's efforts in stopping the entry of incineration facilities in the country.

Reporting to the No Burn Pilipinas Steering Committee, and working closely with the network membership, the Campaign Manager will have the following responsibilities:

### **1. LEAD CAMPAIGN STRATEGY AND PROJECT MANAGEMENT**

- a. Lead the development, implementation and monitoring of a robust national anti-incineration campaign strategy to stop the entry of incineration facilities in the country;
- b. Track ongoing policy and general developments, trends and discussions around incineration, energy, climate and waste issues and ensure these are reflected back into the campaign direction;
- c. Oversee
  - the development of materials, campaign and communication strategies and tools to increase public understanding of the harmful effects of incineration;
  - the implementation of a national legal strategy that will support the campaign;
  - the network's movement building activities in identified key national battlegrounds;
  - Preparation and submission of mid-year and terminal narrative and financial project reports.

### **2. ENSURE NETWORK COORDINATION**

- a. Ensure constant coordination within the network as a whole throughout the implementation of the campaign and its activities;
- b. Support members' ongoing work relevant to anti-incineration and build linkages, strengthen partnerships and open opportunities for collaboration and support between members, affected communities and other stakeholders;

### **3. MONITOR PROJECT BUDGET**

- a. Budget and monitor project expenditures; and

### **4. MANAGE PROJECT STAFF**

- a. Oversee the management of the No Burn Pilipinas campaign team, and lead the implementation of team and project deliverables.

## 5. OTHER RESPONSIBILITIES

- a. Perform other responsibilities related to the implementation of this campaign, as necessary.

### ESSENTIAL QUALIFICATIONS:

- At least five (5) years of successful experience in a campaign coordination capacity with a community-based organization, a people's movement organization, environmental justice organization, or environmental organization
- Experience in staff management and project management
- A passion for environmental justice, grassroots social change, and in building relationships and collaboration with frontline communities, grassroots groups and other organizations
- Strategic thinker with demonstrated skills in analyzing political, environmental, and social trends in the region, and developing campaigns that are multi-faceted and decentralized
- Demonstrated experience in and knowledge of climate and energy policy campaigns
- Excellent networking skills and proven track record in uniting diverse opinions, facilitating conflict resolution and working with teams and people from different cultures and nationalities around a common agenda and plan
- Excited about working with a broad civil society alliance
- Highly computer literate and comfortable with new media technologies and extensive use of online communication
- Fluent in English and Filipino
- Systematic and goal-oriented – in it to win it!

### DESIRED QUALIFICATIONS:

- Experience with rapid response campaigning and ability to respond quickly and strategically to new developments.
- Knowledge of national, regional and/or international political and financial institutions, with a particular focus on how to influence entities involved in infrastructure development (and especially waste and energy projects).
- Strategic planning and facilitation skills
- Strong research skills

### TO APPLY:

This is a full-time position based out of Quezon City. Willingness to travel with frequency is required.
